

**S**PIRIT SCHOOL was founded by Christen McCormack to provide the tools and techniques needed to awaken you to the ongoing reality of Spirit in your life. This unconditional loving presence is available to you every day and is a rich source of wisdom and guidance that you can connect with.

*All are welcome*  
to join us for a Spirit School Gathering  
to celebrate the Spring Equinox.

OUR TOPIC IS  
“The Power of Love”

Love is the pure essence of energy that is the source of all creation. Why do some of us fear it? And how can we live in the world with an open heart, freely giving and receiving the love that ALL of us need?

Spring is a time when the Earth is opening up to new life and vitality. Join us for a day of exploring the strength and vibrancy that open-hearted living can bring into our lives. We will discuss how to be open and receiving, yet emotionally safe; how to give without depleting ourselves, and a balanced approach to living that honors the intelligence of the heart.

The Gathering is a great opportunity to experience the supportive and inspirational community that Spirit School is and can be in your life.
